

Residence Hall Move-out Guideline

※ Important notes

- During the final exam period, room check-outs can only be done at designated times. (Before booking transportation (flights), please check "2. Early Move-out" to ensure a smooth check-out process.)
- If even one person in the room checks out, the common areas (living room, bathroom, entrance, veranda, etc.) be cleaned together with roommates as they are subject to check-out inspection.
- If the room is not cleaned or all belongings are not placed in the hallway during the check-out inspection, the check-out cannot be processed.
- In the case of buildings 7 and 9, the gray waterproof mattress cover is a dormitory item and must be placed on the mattress at check-out.
(If it is stained, wash it in advance and place it on the mattress; it cannot be replaced at the administration office.)
- Except on official move-out day (Tuesday, January 24), entry of outsiders (including parents) is not allowed.
