

# Basic Information of the regular inspection

## 1. Thorough Cleaning Inside the Dormitory Room

- Refer to <https://m.site.naver.com/1etK5>. If cleaning is inadequate, it will be marked as unchecked.
- Regularly **remove hair** from the dormitory **room floor and chair wheels**.

<Cleaning>

## 2. Installation mattress cover of Building No.9: <https://m.site.naver.com/1etMm>

- Waterproof cover** (dormitory provided), **cotton mattress cover** (personal supplies), **mattress pad** (personal supplies) are all fitted
  - ※ If the mattress cover and pad are integrated: Fit the waterproof cover and integrated pad
- Penalty points granted if not fitted / - Charge if mattress is contaminated
- Waterproof covers must be left on upon move-out** (Costs for Loss or Contamination will be Charged)

<Cover Usage>

## 3. Accumulative period of penalty point: Six months of accumulation (**semester + session**)

- You can check your reward/penalty points at the website→ My Page→ Reward/penalty points category
  - \* above 7: Student will be prohibited from living at Residence Halls for one semester
  - \* above 10: Student will be subject to terminate the residency, also prohibition for two-semester
  - \* Move-out due to accumulated penalty points will be ensured regular move-out dates. However, if penalty points are continuously accumulated by taking advantage of the fact that they are not immediately discharged, you may be forced to leave in accordance with the residents' rules.

## 4. Prohibited Items

- All electronics, alcohol, heating appliances, (scented) candles, and electric kickboards are not allowed except for the items announced on <https://m.site.naver.com/1etOi>

<Prohibited Items>

## 5. Outsider access and smoking prohibited

- If you enter a room other than your own, you are also judged as an outsider  
**(Forced move-out if entering other rooms and sleeping from 01:00 to 05:00)**
- Forced move-out if smoking in the residence hall(**including e-cigarettes**)

## 6. Sleeping Out: Go to Residence Hall Homepage → MyPage → Apply for Sleeping Out

- Application date: at least one day prior to the start of the night out
- Inspection **can be postponed** when applying for a sleeping out **before inspection date** during the **vacation period (No postponement during the semester)**
- If the inspection postponement enters the dormitory during the sleeping out period or **does not undergo an re-inspection** after the sleeping out period, **3 penalty points will be imposed**.

## 7. Curfew Pass

- If you need to enter the residence hall during curfew due to part time job, studying, etc., you can apply the curfew pass
- Check the website(<https://dormitory.jnu.ac.kr/Eng/LivingGuide/Delay>) for the more details.

<Curfew Pass>

## 8. Do NOT leave your belongings in the hallway(laundry rack, umbrella, etc)

## 9. Those who arbitrarily manipulate the automatic access control of a residence hall door or fix the door will be forced to move-out.

## 10. Information on receiving personal mail (general mail, registration, semi-registration)

- 7-8 residence hall- each residence hall mailbox
- 9 residence hall- delivery room on 1F (registration and semi-registration: present identification and receive it at administrative office)
